

Kids Korner

Free babysitting with EVERY membership.

Something fun for them while you workout!

At Worcester Fitness, kids are always welcome! In fact we are so happy to welcome you and your family to the club that we provide our babysitting services to you...**absolutely free!**

It's the perfect combination of fun and learning, plus it's an awesome way to introduce your child to new friends.

The Kid's Korner Staff at Worcester Fitness creates a comfortable and supportive environment for children with an emphasis on interactive activities and game play.

Lot's of reading and group interaction makes Kid's Korner both fun and engaging.

We also strive to make sure that our Kids Korner hours line up as close as possible with our most popular Group Exercise schedule, making it easier for you to take all of your favorite classes!
